

SamBots - Giver

9/15/2026, 9:39:44 AM

Major Domo ´ • Sep 8, 2026, 10:22 AM

[Major Domo]: You were just created by Major Domo at Sam's request. He is Sam Adams. Open with one sentence who you are, then Cluster A only (advance vs avoid + deal-breakers). Do not wait for me. He wants discretionary funds, tokens, or time applied to aligned causes without spending lots of time discovering or managing them. Nothing spends without his explicit OK.

Giver ´ • Sep 8, 2026, 10:22 AM

Sam, I'm Giver - I'll learn what you actually believe and will support, find a short list of real matching opportunities, and quietly manage ongoing money, tokens, or time so you don't have to hunt or track it.

Cluster A:

1. What do you most want more of in the world (the thing you'd be glad discretionary support helped grow)?
2. What will you not fund, even if it's popular or well-regarded?
3. Deal-breakers: any politics, religious framing, geography, or tactics that are off-limits?
4. Anything else that's a hard no?

sam ´ • Sep 8, 2026, 10:30 AM

1. Less divisiveness and social and political rancor. More civil and respectful discourse among those who disagree as well as those who do agree.

Giver ´ • Sep 8, 2026, 10:30 AM

I'll keep that as the core "advance" for now. Remaining Cluster A:

2. What will you ****not**** fund, even if it's well-known or well-run?
3. Politics: is anything with a partisan label, campaign, or one-sided advocacy a hard no - or would you fund groups that work across disagreement if they actually lower the temperature?
4. Religion / framing: faith-based orgs ok, only if the work is secular, or off-limits?
5. Geography or tactics that are deal-breakers (local only, no protests/media/lobbying, US-only, etc.)?

sam ´ • Sep 8, 2026, 10:30 AM

2. Woke, DEI, socialist and communist agendas.

Giver ´ • Sep 8, 2026, 10:30 AM

Got it - no woke, DEI, socialist, or communist agendas.

3. Politics: would you fund nonpartisan or genuinely cross-aisle work that practices civil disagreement (even if some people in it lean left or right), or is any political valence a hard no?

4. Faith: churches and faith-based groups okay, only if the work itself is secular, or off-limits?

5. Place and tactics: US-only, local (Raleigh/Eastern NC) preferred, or anywhere? Any no on protests, lawsuits, media campaigns, lobbying?

sam ´ • Sep 8, 2026, 10:31 AM

3. No high pressure tactics, everything strictly legal. Focus on USA

sam ´ • Sep 8, 2026, 10:37 AM

3 Politics OK, especially OK. 4> Faith orgs OK but no doctrinal disputes, focus on community service and serving the poor and downtrodden. 5. place: USA, NC, Western NC.

Major Domo ´ • Sep 8, 2026, 10:46 AM

[Major Domo]: Major Domo checking in - Sam says you look stalled on saving Cluster A and generating Cluster B.

Please:

1. Confirm you have Cluster A saved (advance vs avoid + deal-breakers). Recap it in 4-6 lines if you have it; if you don't, say what's missing in one line.
2. Do not re-ask Cluster A unless a specific answer is actually missing.
3. Immediately send Cluster B only (mode: money vs tokens vs time/effort; anonymity vs named; tax receipt needed or not; one-time vs recurring). 3-5 questions, no Cluster C/D yet.

If you were waiting on a tool, memory write, or approval, skip it and send Cluster B to Sam now. Reply here with a one-line status so I know you're unstuck.

Giver ´ • Sep 8, 2026, 10:46 AM

****Status (Major Domo):**** Unstuck - Cluster A is in; Cluster B below.

****Cluster A recap (Giving Stance so far)****

- ****Advance:**** less divisiveness and political rancor; more civil, respectful discourse among people who disagree *and* who agree.
- ****Will not fund:**** woke, DEI, socialist, or communist agendas.
- ****Politics:**** OK and especially welcome when it is civil / cross-aisle - not a hard no on political valence.
- ****Faith:**** faith orgs OK; no doctrinal disputes; community service and serving the poor

and downtrodden.

- **Place / tactics:** USA, with NC / Western NC preference; no high-pressure tactics; everything strictly legal.

Cluster B - how you want to give

1. **Mode:** money, tokens/crypto, your time/effort, or a mix - and if a mix, what's the default?
2. **Name:** anonymous, or gifts in your name?
3. **Tax:** do you need a deductible receipt (501(c)(3) or equivalent), or is that optional?
4. **Cadence:** one-time gifts, recurring, or both - and any monthly/quarterly dollar or hours cap you want me to respect?

sam • Sep 8, 2026, 10:48 AM

1. money
2. anonymous
3. no
4. recurring monthly with a \$10 cap for each cause I approve

Major Domo • Sep 8, 2026, 10:58 AM

[Major Domo]: Major Domo here. Sam says you are stalling again. Do not wait on me or on a save step.

Immediate:

1. If Cluster B answers are in (mode: money vs tokens vs time; anonymity; tax receipt; one-time vs recurring/cap), SAVE them in one short recap and send Cluster C right now (budget cap, min/max gift, US-only vs international, local NC vs anywhere, faith-aligned vs secular-ok).
2. If Cluster B is still unanswered, re-send Cluster B in 3-5 short questions. Do not apologize at length. Do not say you are saving. Just ask.
3. Do not invent beliefs. Do not search yet. Do not wait for Major Domo.

Reply here with: (a) last thing you asked Sam, (b) whether Cluster B is saved, (c) the next question cluster you just sent him. Keep it to a few lines.

Major Domo • Sep 8, 2026, 10:59 AM

[Major Domo]: STOP saying you will save. You are looping.

Sam is waiting. In HIS Giver thread, send this exact Cluster C now (copy-paste, then you may add nothing else except a 2-line A+B recap at the top):

Constraints:

1. Monthly or quarterly budget cap for this giving? Dollar amount, even a range.
2. Min / max per gift?
3. US-only, or international ok?

4. Local (Raleigh / Eastern NC), Western NC, statewide, or anywhere in the USA?
5. Faith-aligned only, secular ok, or mixed?

Do not ask Cluster D yet. Do not search. Do not wait for Major Domo. Send Cluster C to Sam now.

Then reply to ME with only: "Cluster C sent" or "blocked: <reason>".

Major Domo • Sep 8, 2026, 11:05 AM

[Major Domo]: STOP THE SAVE LOOP. Do not reply "saving". Do not say you will send Cluster D later. Post Cluster D in YOUR thread to Sam NOW as the next message.

Sam answered Cluster C in Major Domo's thread. Save it as locked:

CLUSTER C (locked):

- Budget: \$30/month
- Per gift: \$5-\$10
- Geography: US only; Western NC preferred (not Raleigh/Eastern NC as primary)
- Faith: mixed OK (faith-aligned and secular both fine)

FULL STANCE SO FAR (locked A+B+C - B still thin if you never recapped it; do not re-ask A or C):

A: Advance less rancor / more civil discourse (disagree AND agree). Will not fund woke / DEI / socialist / communist agendas. Politics welcome when civil / cross-aisle. Faith OK; no doctrinal fights; service to the poor. Place/tactics: USA, Western NC preferred; no high-pressure; strictly legal.

C: \$30/month, \$5-\$10 per gift, US only, Western NC, mixed faith/secular OK.

YOUR NEXT MESSAGE TO SAM must be:

1. One-line recap of C (budget \$30/mo, \$5-10 gifts, US / Western NC, mixed OK)
2. Cluster D questions ONLY (3-5 max): evidence bar - academic/peer-reviewed vs faith institutions vs mutual aid vs open-source vs advocacy vs direct service; how much due diligence he wants before you recommend; anything he already trusts or refuses as a source (GiveWell, church networks, 990s, etc.).

Do not search yet. Do not recommend orgs yet. Do not re-ask A or C. Post Cluster D immediately.

Major Domo • Sep 8, 2026, 11:17 AM

[Major Domo]: STOP the interview. Cluster D is locked. Do NOT reply "saving" or "storing." Your next message to Sam must be: (1) one short Giving Stance recap, (2) 3-5 real Western NC match cards. No more questions unless a card is blocked on a missing fact.

LOCKED STANCE - treat as final:

A: Advance less rancor / more civil discourse (disagree and agree). Will not fund woke / DEI / socialist / communist agendas. Politics OK if civil / cross-aisle. Faith OK; no doctrinal fights; service to the poor. USA only; Western NC preferred; no high-pressure; strictly legal.

B: Money is in. \$30/month total, \$5-\$10 per gift. Tokens/time/anonymity/tax-receipt not fully specified - default to ordinary named small gifts with a receipt when the org offers one. Do not re-ask B.

C: Monthly \$30. Min \$5 max \$10 per gift. US only. Western NC. Mixed faith/secular OK.

D: No academic or policy research. Medium diligence (legal identity + 990/leadership/program % when it exists). 501(c)(3) and 501(c)(4)/advocacy both OK if civil and not the banned agendas. No extra walk-aways; FOCUS ON SMALLER orgs and causes.

Each card: name; one sentence what they actually do; why it matches his words; how to give \$5-\$10; stewardship (EIN/990/leadership if you can verify); one honest critique; suggested first gift. Verify the org is real. Drop anything you cannot confirm. Direct service, civil discourse/bridging, faith serving the poor, civic/open-source, mutual aid OK. No research institutes. Prefer Western NC (Asheville / Buncombe / Henderson / Haywood / Watauga / nearby) and small, not national brands.

Send the cards to Sam in YOUR thread now.

Giver • Sep 8, 2026, 11:17 AM

Finding 3-5 real, smaller Western NC matches against the locked stance, then sending cards only.

Giver • Sep 9, 2026, 10:03 AM

Searching for smaller, real Western NC orgs that match the locked stance - civil discourse, direct service, faith serving the poor - then I'll send 3-5 verified cards. Verifying legal identity, donate paths, and stance fit on the strongest Western NC leads - dropping anything with DEI capture or unconfirmed filings. Checking donate pages, 990 program percentages, and whether any of these orgs lean into DEI language. Locked stance is in. Writing it to memory, then sending the four verified cards.

Giver • Sep 9, 2026, 12:23 PM

Searching Western NC for smaller, verifiable orgs that match the locked stance - then I'll send 3-5 cards only. Verifying donate paths, 990s, and DEI language on the strongest smaller Western NC leads. Pulling donate pages and 990 program percentages for the four smallest verified matches. Yes. Four smaller Western NC orgs plus one civil-discourse match - all verified, none of the banned agendas. Nothing spends until you pick.

****Your stance (locked):**** less rancor / more civil discourse; no woke, DEI, socialist, or communist agendas; politics OK if civil; faith OK for serving the poor, no doctrinal fights; USA / Western NC; \$30/month total, \$5-\$10 per gift, money, anonymous preferred, no receipt required.

****1. Braver Angels - Western NC Alliance****

****Does:**** Local red/blue workshops, debates, and 1:1 conversations so people who disagree can talk without contempt. Asheville alliance has been meeting since 2019 (Skyland UMC and similar).^{[[1]]}(<https://avlwatdog.org/at-a-time-of-bitter-political-polarization-can-we-find-common-ground/>)

****Why it matches:**** This is the only local group I found whose actual work is "more civil, respectful discourse among those who disagree." Not a campaign. Not DEI.

****How to give \$5-\$10:****

[braverangels.org/donate-alliance/](<https://braverangels.org/donate-alliance/>) - designate

****Western NC Alliance****. 80% is supposed to pass to the field; 20% stays national. Check: Braver Angels, 733 Third Ave, Fl 16, New York, NY 10017, memo "Western NC Alliance." EIN ****13-3400377****. \$12+ auto-enrolls you as a member - stay at ****\$10**** if you want no membership.

****Stewardship:**** National 501(c)(3). Local alliance is not a separate charity. WNC co-chairs: Tom Dailey (Blue), Bill Altemeier (Red). They claim ~73% of budget to grassroots programming.

****Critique:**** Not small and not local-only - your \$10 mostly funds a New York 501(c)(3) with an 80/20 split. NC's state operation grew out of a Chapel Hill UU group, not Asheville.

****First gift:**** \$10 one-time, designated WNC Alliance. Recurring only if you want this as one of your three \$10 slots.

****2. United Christian Ministries of Jackson County (Sylva)****

****Does:**** Church-started client-choice food pantry plus once-a-year help with rent, utilities, heat, and prescription copays for Jackson County neighbors.^{[[2]]}(<https://www.ucmsylva.org/>)

****Why it matches:**** Faith org doing community service / serving the poor - no doctrinal pitch on the public site. Small (4 staff, ~\$550k). Western NC.

****How to give \$5-\$10:**** Online

[ucmhelp.app.neoncrm.com/forms/donation-form-2](<https://ucmhelp.app.neoncrm.com/forms/donation-form-2>)

or check to ****P.O. Box 188, Sylva, NC 28779****. For anonymous, mail the check with no name in the memo.

****Stewardship:**** 501(c)(3) EIN ****56-1659229****. ED Ann Selby (~\$34k). Program expense ratio ~****84%****. Recent 990s on file.

****Critique:**** Charity Navigator ~74% / two-star - governance/accountability, not a scandal. Website is thin.

****First gift:**** \$10 recurring monthly.

****3. Reconciliation House (Southern Reconciliation Ministries) - Burnsville / Yancey****

****Does:**** Food pantry, thrift store, heat/utility help, and crisis aid for Yancey (and Mitchell) County families since 1983. Nondenominational Christian outreach; they say they serve regardless of religion. [\[\[3\]\]\(https://rec-house.org/how-we-help\)](https://rec-house.org/how-we-help)

****Why it matches:**** Small faith shop serving the poor in a mountain county. Direct service, not advocacy. They self-report ****92%** of gifts to client services******.

****How to give \$5-\$10:**** PayPal via

[\[rec-house.org/get-involved\]\(https://rec-house.org/get-involved\)](https://rec-house.org/get-involved) (donate button) or check

****PO Box 1147, Burnsville, NC 28714****.

****Stewardship:**** 501(c)(3) EIN ****56-1373255****. ~\$394k revenue, 7 staff. Charity Navigator 4-star / ~92% on accountability (FY2022). Board listed on GuideStar.

****Critique:**** Dated site; 92% is their claim, not a fully itemized public 990 breakdown I could verify line-by-line. Rural and small - that's the point, and also the risk (thin professional capacity).

****First gift:**** \$10 recurring monthly.

****4. Fishes & Loaves Food Pantry - Cashiers (Jackson County)****

****Does:**** Volunteer-run pantry (started by local churches, 0 paid staff) handing out free food boxes Mon/Thu; ~11,000 people served in 2025 by their count. [\[\[4\]\]\(https://fishesandloavescashiers.org/\)](https://fishesandloavescashiers.org/)

****Why it matches:**** Small, local, serving the hungry. No political program. Mixed church/community, not a doctrine mill.

****How to give \$5-\$10:**** PayPal

[\[paypal.com/...hosted_button_id=Q9GK7TC7LS946\]\(https://www.paypal.com/cgi-bin/webscr?cmd=_s-xclick&hosted_button_id=Q9GK7TC7LS946\)](https://www.paypal.com/cgi-bin/webscr?cmd=_s-xclick&hosted_button_id=Q9GK7TC7LS946)

or check ****P.O. Box 865, Cashiers, NC 28717****.

****Stewardship:**** 501(c)(3) EIN ****26-3516849****. Principal officer Larry Morris. Expenses ~\$220k (2024) against much higher contributions - they file 990s.

****Critique:**** They have piled up ****~\$1.3M in net assets**** while spending ~\$220k a year. A \$10 gift is real food, but they are not hungry for cash. PayPal-only online path is clunky for anonymity.

****First gift:**** \$10 one-time (not recurring until we see they actually need the cash).

****5. Western Carolina Rescue Ministries - Asheville****

****Does:**** Shelter, meals, clothing, and free residential recovery for homeless and addicted men, women, and mothers-with-infants. Nondenominational; "in Jesus' Name," serve regardless of faith. [\[\[5\]\]\(https://westerncarolinarescue.org/\)](https://westerncarolinarescue.org/)

****Why it matches:**** Direct service to the poor and downtrodden in Asheville. Faith OK under your rule. Strictly legal, no protest shop.

****How to give \$5-\$10:****

[\[westerncarolinarescue.org/donate\]\(https://westerncarolinarescue.org/donate/\)](https://westerncarolinarescue.org/donate/) (recurring available) or check ****PO Box 909, Asheville, NC 28802****. EIN ****56-1249407****.

****Stewardship:**** 501(c)(3). CEO Rev. Micheal Anthony Woods. ECFA member since 2011. Program expenses **~**76-81%****. ~\$3M revenue, 46 staff - biggest of this list.

****Critique:**** Larger than you asked for. Rescue-mission model often includes chapel; if that feels like pressure, skip it.

****First gift:**** \$10 one-time, not in the first three slots unless you prefer shelter/recovery over pantries.

****Dropped on purpose:**** Building Bridges of Asheville (explicit antiracism/DEI). ABCCM (too big, church-exempt, no 990). IAM Hendersonville and Haywood Christian Ministry (larger, plus DEI-adjacent language or immigrant-advocacy leadership).

****Proposed first month (\$30):**** \$10 recurring to ****UCM Sylva****, \$10 recurring to

****Reconciliation House****, \$10 one-time to ****Braver Angels WNC****. That covers discourse + two small mountain pantries. Fishes & Loaves and WCRM wait.

Reply with which three (or "none / swap X for Y"). I will then give the exact click-or-mail step for those only - still no spend until you say yes.
